Guinea pigs and rabbits are  
clean, cuddly, and don't  
smell. A perfect child's pet!

*Need a Judge for a non -ARBA show??* I am available to judge your 4-H, county or other non-sanctioned show. I am a 2 time ARBA King and a cavy and rabbit registrar. I am willing to travel anywhere. Richard Vaerewyck 724-681-9702

I'm trying to get my Cavy judges license this summer, but I need some cavies to register!! If you have cavies with good pedigrees, please give me a call and I'd be happy to register them. Richard Vaerewyck 724-681-9702

## **From Gerry – youth stuff**

### **Attention all Fairs and Shows:**

We have a full royalty court who worked very hard through the year to win their positions. They are eager to represent PASRBA and promote the rabbit and cavy fancy. Please consider inviting them to your fair to help present awards, help with contests or talk to your kids about state and national opportunities. We also have four youth who have or are finishing their registrar's licenses and would be happy to judge your non-ARBA show for rabbits or cavies. If you'd like a youth for any of your show activities, contact them directly or send an e-mail to [Youth@pasrba.org](mailto:Youth@pasrba.org).

### **Youth contests!!**

Congratulations to all the youth that worked so hard to compete and especially to our winners.

We especially need to thank all the contest chairs and their volunteers who helped run the contest:

Kristina Kolb and her crew in Breed ID  
Piper Smith and the bunny judging folks  
Connie Hutchinson and her education contest judges  
Meg Whitehaus and her judges who did achievement and management  
Anne Copenhaver who brought all the numbers together in Royalty  
Bryan Rager and the large heavy object moving crew  
Jay Hreiz and Peg Hailey for judging contest animals

And the 20 volunteers who judged applications, showmanship, interviews, and presentations.

And lots of people that brought animals, manned tables, helped with setup and every other detail.

It was a great contest this year, but we're always trying to make it better. So let us know what we did right and what needs some work by sending your comments to [youth@pasrba.org](mailto:youth@pasrba.org).
